

WHAT

Organicycle now has a new web app for its residential curbside compost program members! Members can use the app to search for any product to find out if it is acceptable in your Organicycle cart. Learn how to get to the app and save it to your phone's home screen, below.

HOW TO ACCESS

Participants can access the app a few different ways:

1 Snap a photo of the QR code 

2 Go to **betterbin.app** on your mobile device and choose **Organicycle - Residential** as the community

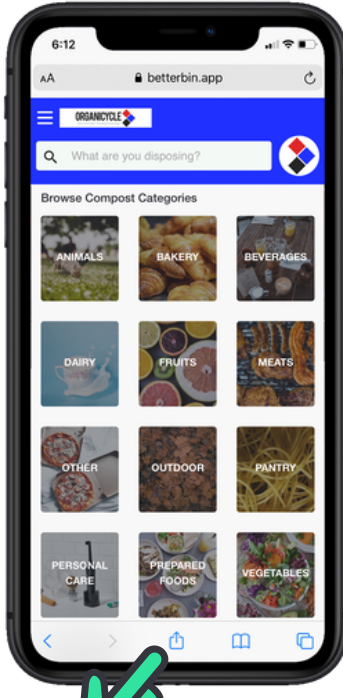

You will not find the app in the App Store or Google Play!
